1. My favourite music instrument is the flute. The shape of it is long and thin. I like the high-pitched sound it makes when I blow air into the hole.

3. Among all ball games, Ken likes to play table tennis most. It is an exciting game that can be played on a large table where two or four players hit a ball over a low net using small, round bats.
4. When I am free, I like to write limericks which are funny poems with five lines in each verse. They always make me laugh.
5. One of my hobbies is doing puzzles. It is really challenging because I need to put many tiny pieces together to make a picture.
6. My mum has a five-day work week. She does not have to go to work on Saturday and Sunday. Therefore, at weekends, we do different kinds of activities. My favourite one is making crafts. I can be creative when I design different products and it makes me happy.
