My family and I travelled to Indian last summer. We met a lady from Filipino in the hotel. She told us that she lived in English with her husband while her daughter studied in Australia. They were having a tour in Asian. They had already spent one week visiting different islands in Thailand. She said she enjoyed Thailand cuisine a lot.

This summer, we will probably go to Canadian to visit some relatives in Quebec. I will have a chance to use the France language that I've been learning at school. I can't wait!

1. India
2. the Philippines
3. England
4. Asia
5. Thai
6. Canada
7. French
